## LIVESTOCK EXHIBITS

- Dairy, Beef, Swine, Sheep, and Goats must be on the fairgrounds by 5 PM on Tuesday.
- Horse exhibits must be on the grounds by 8 PM on Tuesday.
- Before taking livestock or horses to the barn, find the superintendent of the respective barn to see what paperwork is required before unloading.
- No animal entered for exhibition, other than those brought in for the Pet Show and taken home immediately afterward, shall be removed before 5 PM on the last day of the fair without written consent of the barn superintendent and fair manager. Any violation of this rule may result in a forfeiture of premiums.
- Entries will be governed by the state health rules for livestock exhibits.

- Due to state health recommendations for swine this year, the fair management group has decided that the fair will hold a terminal show for swine this year. That means that every pig and hog that comes to the fairgrounds must go directly to slaughter at the end of the fair.
- Please see the 2018 Rules for Douglas County Beef Improvement Association Market Animal Auction if you are raising beef, swine or sheep to bring to be sold at the fair.
- **Eligibility of Exhibitors to enter animals into the Douglas County Beef Improvement Association Market Animal Auction: Only exhibitors who are members of the Beef Improvement Association are eligible to sell in the Market Animal Auction. If you do not qualify to participate in the auction, you may advertise your animal for sale in your stall area.**
- The Fair reserves the right to refuse to pay any premium on any livestock exhibit in this department which has not been exhibited in the show ring, at the request of the judge or his assistants, by the actual owner or feeder through the club year, of said exhibit. This includes calves and sheep.
- A club member is eligible to enter one or more lot numbers under each class, however, only one entry may be entered per lot number provided these entries are appropriate to his/her approved projects.
- Exhibitors and visitors will be prohibited from handling livestock other than their own without consent of the owners.

### **EXHIBITOR AND OBSERVER GUIDELINES DURING JUDGING**

During judging, exhibitors and non-participating observers are permitted to watch the judge making his or her decisions. However, exhibitors and observers are not to interrupt the judging in process. Questions may be asked of the superintendent after the class has been judged, and then the judge is to explain the process in question. If you interrupt during judging, your entries in that department will be disqualified and all your entries in the fair may be disqualified.

### **JUDGING SCHEDULES**

Judging Schedules are outlined on the next two pages. The first schedule is organized by department numbers. The second schedule is organized by the days of the fair week. All times are approximate.
