

## DEPARTMENT 6 – HORSES

Please check the judging schedule for dates and times of the open class show. These exhibits can come the day of the show and leave after the show.

All equine animals must be accompanied by documentation (original lab report or certificate of vet inspection) of a negative Coggins test conducted within the year of the event. Copy of test report must be presented to superintendent prior to unloading of animal.

Exhibitors will be responsible for feed and care of their animals. Stall rent of \$3.00 per horse will be charged and collected if the horse will be requiring a stall. A \$25 stall cleaning deposit in the form of a check will be required for each horse entered on entry day. Checks will be returned after stall is cleaned by the exhibitor then inspected and approved by the horse barn superintendent.

### Local Fair Regulations:

All equine are required to be vaccinated for Eastern and Western Encephalomyelitis and Influenza A1 & A2. It is also recommended that all equine have tetanus shots. Exhibitors who do their own vaccinations must provide serial number and manufacturer name. All others must provide veterinarian proof.

No animal shall be entered in the name of any other than the bona fide owner, except if the exhibitor is under 18 years of age. If a horse is shown by more than one exhibitor in a lot number, only one premium will be awarded that horse in that lot.

ASTM/SEI approved equestrian helmets are required for all participants age 18 and under (bicycle helmets are not acceptable).

Registration papers must be presented at time of show. All horses will be examined by a licensed veterinarian on entry day and daily during the fair. Any horse showing symptoms of contagious or infectious disease or found unfit for the show at any time during the fair will be ordered to be removed from the fairgrounds.
